Join CES this fall for a great basketball experience!

We are expecting a very large turnout and are extremely excited to get this season started.

Coaches, get your teams in early and get your players ready for their league games with an hour of free practice time for early sign-ups (September 1 deadline).

All games will be played at Competitive Edge Sports in King of Prussia, which offers a five court basketball facility in a prime central location. Games will be on time and on schedule!

Our league will be for players in grades 3rd thru High School. Teams are guaranteed 8 games played; the top 2 teams will play in a Championship Game. Clock Format: Two 20-minute halves running clock until 2 minutes remain, then becomes stop-clock play.

Players can register with their team or as an individual draft player. Our goal is to promote a fun and competitive basketball league that players, coaches, and parents will return to each year!

Fall is rapidly approaching so register today and we look forward to seeing you in the fall!
